Pet Name _____ Breed/Color _____

The pet that you are adopting

Is current on all shots appropriate for age, is spayed /neutered, is heartworm or FELV/FIV tested, has been dewormed, and is taking appropriate flea/tick/ heartworm prevention medication. The pet is in good health and free of disease at the time of adoption.

The adoption fee will be used to provide medical care for your pet and for other pets in the rescue. It is considered a donation to the rescue and is non-refundable.

Adopter understands and agrees to abide by the following terms of adoption:

- At this date of adoption, Adopter agrees to assume all medical expenses, food, grooming, and any other costs associated with this dog. If this pet needs veterinary care within 2 weeks of its adoption the adopter agrees to either pay for the vet care himself, or return the dog/cat to The Pet Doctor for needed veterinary care. We do not pay for, nor reimburse for any veterinary services performed outside of our program.
- Depending on the age of the pet at adoption, there may be additional vaccinations that are needed to complete the initial puppy/kitten series. These additional vaccinations are not included in the adoption contract.
- Adopter agrees to treat this animal in a humane and loving way at all times, and to make sure that anyone temporarily caring for this pet will do the same.
- Adopter understands that dogs requires at least a fully fenced-in rear yard. Invisible fencing is acceptable with proper training. Cats should remain indoors only. There are many outdoor hazards that are dangerous for cats.
- The Adopter agrees to provide this pet with proper veterinary care as is recommended by his or her veterinarian, for the rest of each animal's life. This includes yearly vaccinations and prevention of parasites, and fleas/ ticks. Adopter also agrees to keep dogs on a monthly heartworm prevention and flea/tick control program throughout the dog's entire lifetime. Adopter further agrees to take this pet to his/her veterinarian for a routine check up at least once every year, and to follow the advice of his veterinarian. Adopter agrees to license this pet according to any local ordinances.
- Adopter agrees to feed a wholesome, premium food, and have fresh water available at all times. We are more than happy to provide recommendations for feeding schedules.
- Adopter understands that The Pet Doctor will never place a known biter. However, Adopter is fully aware and does understand that any pet may bite if provoked, or if scared, sick or injured. Please understand that no one can predict what medical or temperament problems a pet may have in its lifetime. We cannot guarantee anything other than the current health and temperament. We will gladly help you to work with any additional needs that you have in the future with the health or temperament of this pet!
